

Dear HKMHDIA members,

The Hong Kong Technology Mission to Silicon Valley, USA was held in January 2018 followed by the International Consumer Electronics Show (CES) in Las Vegas, USA. CES is the world's gathering place for all those who thrive on the business of consumer technologies. It has served as the proving platform for innovators and breakthrough technologies and it attracts the world's business leaders and pioneering thinkers. There was a marvelous way of wearable tech, advance electronic technologies, and products shown at CES-2018.
